

RAYMOND MAGNETIC STRETCH WRAP HOLDER

ORGANIZATION HAS ITS PLACE

Exclusively available through Raymond, the Magnetic Stretch Wrap Holder organizes tools frequently used by forklift operators.

Designed for a walkie or orderpicker the Raymond Magnetic Stretch Wrap Holder mounts securely on a truck's magnetic surface to keep material handling tools nearby, easily available on hand for operator use. The Magnetic Stretch Wrap holders can store pens, box cutters, small hand tools and stretch wrap in a portable, slim design. Heavy-duty holders are also available with an additional magnetic strength.

Order the Magnetic Stretch Wrap holder today to improve organization while at work.
