

OVER-THE-MAST CABLE KIT

===== ALL-IN-ONE INSTALLATION ASSEMBLY =====

Installation is easy, with Over-the-Mast Cable Kits from Raymond.

The over-the-mast cable kits provide a complete assembly, containing all the parts needed to finish the job. The need for bulk cable and assemblies is eliminated with these kits. The kits are ideal for parts service and consignment inventories.

Available for EASi Reach-Fork® and 7400 Series trucks, the cable kits make ordering the right parts easy.
